

# First circular

Dear friends and colleagues,

I am happy to announce that the next European Otter Workshop will be held at the Swedish Museum of Natural History in Stockholm, Sweden, next year.

Please book June 7-11 June 2015 in your calendar, and start planning for the next EOW, with the theme *Otters and human interactions*.

The theme is on purpose broad, so it can include all topics.

We will set up a webpage and send out more information after the summer. Please feel free to contact me with comments, ideas and thoughts!
