

We are please to inform that the book “No Rastro da Lontra Brasileira – *On the Track of the Brazilian Otter*” is available at the best bookstores. It is an unpublished work about the specie *Lontra longicaudis*. The book is written in accessible information, easy to understand, from the popular to the academic, rich in information and curiosities. The book is made in recycle paper and beautiful finish. The author, Dr. Carvalho Junior, is one of the pioneers’ studying otters in Brazil, working with the specie since 1986. Today, the author is the coordinator of the River Otter Project at the Ekko Brazil Institute. The book can be found at the best bookstores or ordered from [www.ekkobrasil.org.br](http://www.ekkobrasil.org.br).

Yours,

Alesandra Bez Birolo  
President of Ekko Brasil Institute
